***PRO:RECRUIT is your specialist procurement and facilities management recruitment team, here to solve all your interim and permanent needs.***

### Client

Meercat Associates specialises within the Procurement, Supply Chain and Facilities Management sector, giving us an in-depth knowledge of the market and allowing us to focus our attention solely on attracting and finding the most experienced candidates for your company.

We provide a high level of service to our clients and can create tailored solutions to match our client's individual needs and requirements for each role. Our solutions include:

- Contingency & Volume Recruitment
- Global Search
- Contract & Interim Management
- Advertised Selection

### Candidates

- Meercat Associates understand the key requirements candidates are seeking in a recruitment agency.
- Our consultants are a mix of professional recruiters and ex practitioners. We take pride in our ability to listen and provide one to one interviews in order to evaluate and to fully understand your motivation for seeking a new role and your requirements within that role.
- We will offer honest and open feedback on your current status and what you can expect to achieve in terms of responsibility and remuneration with your next position. You will find Meercat Associates easy to communicate with and responsive to your needs.

### Benefits of using PRO:RECRUIT
